Re: - Rescinding Cancellation of Permit - CC062235

Dear A & H Septic Systems & Materials Inc:

On February 8, 2022, the Washington Utilities and Transportation Commission (Commission) cancelled A & H Septic Systems & Materials Inc's permit CC062235 for failure to file proof of liability and property damage insurance covering equipment.

It has come to our attention that insurance covering permit CC062235 was filed with this Commission. The Commission records now reflect that proof of liability and property damage insurance covering permit CC062235 is properly filed.

The Commission, therefore, rescinds the cancellation and reissues permit CC062235 in the name of A & H Septic Systems & Materials Inc. The permit is enclosed, and the company may again operate on a permanent basis.

A & H Septic Systems & Materials Inc must continue to comply with state laws and Commission rules. Failure to do so will result in Commission enforcement action, up to and including revocation of the company's permit.
